

RESUME of CALLUM ROBERT WILLIAM MARSHALL

Educated in UK and USA with dual nationality, a USMC Reservist, studying at Idaho State University in Pocatello, Idaho. I possess an ITD in welding and metals fabrication and International Baccalaureate Career Program Certificate.

At college I am engaged in developing my technical skills for a career in aerospace. In addition to my studies, through the USMC I'm improving my leadership and teamwork skills, and further utilizing my initiative and energy.
