

# PRASHAN MORAR

- I am a Dynamic and Professional individual blending Business insight with Aviation expertise, navigating both boardrooms and flight decks with precision.
- A strong and ambitious individual personally and professionally with a strong focus on building successful ventures.
- Seasoned Business Executive and Licensed Pilot , skilled at leveraging strategic planning and operational management to optimize performance in both business and aviation sectors.
- Diverse expertise spanning in Retail and Small Business, Filling Station(Gas Station),Hospitality(Hotel/Motel),I drive operational excellence and customer satisfaction across industries. Blending strategic insight with hands on experience.
- I excel in managing dynamic environments and achieving business growth.
- Navigating diverse industries like Retail, Filling Station(Gas Station), Hospitality(hotel/motel) alongside piloting requires a unique blend of strategic planning and prioritization. It's crucial to set clear boundaries and maintain a structured schedule.
- Balance is about knowing when to throttle up and when to descend to a comfortable cruising altitude.
