

DANIELLA V. BEAUCHAMP BLONDET

Guaynabo, PR 00968 | dvbeauchamp89@gmail.com | 939-715-6229

PROFESSIONAL SUMMARY

Motivated aviation maintenance student with hands-on experience supporting aircraft inspections, maintenance procedures, and airport operations. Demonstrates strong understanding of airframe and powerplant fundamentals, with practical exposure to reciprocating engines, component replacement, and inspection processes. Able to work effectively in fast-paced, safety-critical environments while maintaining high attention to detail and compliance with FAA standards. Seeking to further develop technical skills and transition into a professional A&P technician role.

SKILLS

- Bilingual: English & Spanish
- Aircraft cleaning and sanitation procedures
- Safety compliance and hazard awareness
- Aircraft inspection support
- Brake and tire removal and replacement
- Reciprocating engine fundamentals
- Use of basic maintenance tools (hand tools, torque wrench)
- Team collaboration and communication
- Strong attention to detail

WORK EXPERIENCE
